

Russell Brock

ATHLETE PORTRAIT

WHEN AND HOW DID YOU FIRST GET INVOLVED WITH WATER POLO?

I've always loved the water, so decided to give water polo a try and I am so happy I did. This is my third year in water polo, and second year practicing with DC. Since our pool is shut down in Weyburn, I've been practicing in Estevan and Regina this year. I've been enjoying getting to play in different pools, and get experience with different coaches and players.

DO YOU HAVE ANY FAVOURITE WATER POLO TRIPS OR MEMORIES?

My favourite memories are travelling and competing with my friends. Going to Winnipeg with Team Sask and getting first place in Provincials during my first year were some highlights.

DO YOU HAVE ANY FUTURE GOALS WITH WATER POLO?

My goal is to continue to grow and advance my skills as a player and as a goalie. As I get older I hope to play more with Team Sask and travel to different places playing water polo.

WHAT WOULD YOU LIKE TO DO WHEN YOU GROW UP?

I want to be an engineer when I grow up. I like learning about how things work and using my creativity.

Highlighted here is Russell Brock from the Weyburn Hurricanes. Russell is a hardworking, committed athlete in our Development Centre.
